

IT WASN'T RAINING WHEN NOAH BUILT THE ARK...

“Our arks will float on a SEA OF FAITH if our works have been steadily and surely preparing for the future.”

GOT A CAR EMERGENCY KIT?

When it comes to being on the road, you never know when an emergency situation might arise. From flat tires to inclement weather, being prepared is key. A well-stocked car survival kit can be a lifesaver in times of need. Here is a comprehensive guide to creating your own kit, equipped with essential items and additional items for various roadside emergencies.

THE BASICS:

- Jumper cables and/or an emergency battery booster
- Jack
- Scissors
- Small utility knife (i.e. a Swiss Army knife or variation of one)
- Roadside flares and/or reflectors
- Reflector vest
- Seat belt cutter and glass-breaking auto escape hammer (keep in an easy to reach space, not in the trunk)
- Small tools, or a multi-tool (screwdriver, pliers, etc.)
- Fix-a-Flat (just enough help to get your car to the shop)
- Spare tire (properly inflated)
- Lug wrench
- Towing strap, rope, bungee cords

DON'T FORGET

By assembling the best car emergency kit, you can ensure that you are prepared for various situations. Having an emergency kit in your car can offer peace of mind and real assistance when the unexpected happens.

Remember, in the world of roadside emergencies, it is better to be over-prepared than caught off guard.

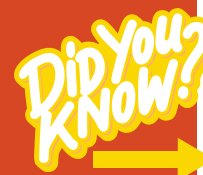

OTHER NECESSITIES:

- Dedicated cell phone charger (left in vehicle)
- Fire extinguisher
- Gloves with gripping dots on the palm area (for handling parts)
- First aid kit along with personal medications that are refreshed regularly
- Tire pressure gauge
- Portable radio (battery or other powered)
- Small foldable shovel
- Roll of duct tape
- Can of WD-40
- Maps and/or road atlas
- Flashlight (check batteries regularly or one that doesn't need batteries)
- Whistle
- Moistened towelettes, tissue, Kleenex, paper towels
- Umbrella, emergency raincoats
- Bottled water
- MRES, granola/energy bars or other portable foods (regularly refreshed)
- Packing cloth (for laying on the ground or lining car or bed when moving something)
- Cash - \$25-\$50 in small bills
- Pen and paper
- Garbage bags
- Matches/lighters
- Games and books
- Emergency contacts (written down and kept in glove box)
- Nail kit
- Hand sanitizer
- Lotion

IN WINTER, YOU SHOULD ADD:

- Ice scraper
- Sand or kitty litter (for ice and snow)
- Sleeping bag or heavy blankets
- Appropriate clothing like gloves, hats, socks, boots, coats, etc.)

Over time plastic bottles can degrade in cars due to the high temperatures. This can cause the plastic to release chemicals and leach other compounds into the water. Therefore, rotate your bottles regularly.
